HEROES

We'd love you to benefit from our **#XmasPartyHeroes** campaign. Covid is cancelling thousands of Christmas parties and entertaining right across the UK this year. We'd like your charity to benefit, with companies donating their unused Christmas party budget to you.

#XmasPartyHeroes works like this:

1

A company, organisation or individual pledges an amount to their favourite charity*

*The amount they would have spent on their Christmas party.

2

They then pay you directly

3

You notify us about the donation

We're asking organisations to donate the cost of seasonal corporate gifts, so do that too. Our logo can be downloaded from the website for you to use. Please ask your supporters (corporates and individuals!) to get behind this. As you may have seen in The Sunday Times, it's creating quite a buzz already! And please always use

#XmasPartyHeroes
